GEOGRAPHIC AREAS

Census tract

Census tract boundary identifier

Census tract number

Anchor symbol. Census tract is associated with a water body or docking area, and shipboard population data are reported for same primary tract number with a "99" suffix.

Inset area

Foreign country

State

Subject county

Adjacent county

County subdivision

Incorporated place

Census designated place

American Indian reservation

Major water features

Open six-spoked asterisk following place name indicates place is coextensive with a county subdivision. County subdivision name is shown only when it differs from place name.

Solid eight-spoked asterisk following an incorporated place name indicates place is treated as a county subdivision for census purposes.

Note: All political boundaries are as of January 1, 1980. Boundaries of small areas may not be depicted exactly due to scale of map. Where boundaries coincide, boundary symbol of higher level geographic area is shown, except where a county subdivision boundary coincides with boundary of an incorporated place.
